AL ANDALUS[®]
SMART ENERGY SOLUTIONS

Company Profile

We are care about the environment

Mission

Shams Al Andalus Smart Energy Solutions (L.L.C) is committed in providing the highest quality products, competitively priced, with services exceeding our customers' expectations. We will continue to invest in facilities, systems and highly trained technical personnel providing added value to our business relationships.

Vision

Shams Al Andalus Smart Energy Solutions is a cornerstone of our quality of life. There will be a continuing need for products and services to harness its use.

Shams Al Andalus Smart Energy Solutions will strive to be the best class as a trading company of quality products and services and a responsible corporate citizen

Profile

Shams Al Andalus Smart Energy Solutions is the leading marketer of lightings and electrical products in the Middle East, in which the building and construction was flourishing all over Dubai. Over the years, Our Company has expanded its scope to serve the major industries in the domestic and GCC markets. With the strength of our well experienced staff and 10,000 sq. ft. centralized warehouse and office, we have also joint venture with all over the world factories who produce special lighting and electrical products on demand.

“It is not what companies offer that make them great, it is why they do what they do. At Shams Al Andalus Smart Energy Solutions, making a profit comes as a by-product of making the world a better place. We all believe that we need to save our planet for the next generations, and we can only do this by actively improving our environment through higher adoption of renewable energy and more efficient use of resources”.

Customer Care Policy

Shams AL Andalus Smart Energy Solutions (L.L.C) aims to maintain a high level of customer service regularly reviews procedures to continually improve customer service performance. Shams AL Andalus resources will be used effectively and efficiently, in order to provide the highest standard of services to all customers. Shams AL Andalus aims to create a positive experience to all customers and to install confidence in the company and products thereof, in essence, do as you would be done by.

Quality Statement

Through our commitment to quality and customer service, we provide a frontline service of the highest standard to our customers. Customers who call the office will have their calls answered quickly and inquiries will be dealt with promptly and courteously. Where an immediate answer cannot be given, customers shall be regularly updated with the status of their inquiry until the inquiry is answered

Energy Efficiency Retrofit

As Engineers, not Vendors, We use our extensive engineering and energy efficiency experience to deliver guaranteed savings by performing in-depth detailed energy auditing to collect more in-depth information and analysis about the facility and control and manage the energy demand by upgrading the systems and buildings operation and performance.
